Briarwood Action Network Holiday Drive

The Briarwood Action Network is teaming up with the NYPD's Transit District 20 to collect clothing and other items needed by residents of Southern Queens who are recovering from Hurricane Sandy. The TD 20 station is located in the Briarwood/Van Wyck Subway station at 137-02 Queens Blvd.

BAN also has placed collection boxes in local businesses and apartment buildings for its Help Fill the Fridge effort for the Briarwood Family Residence, a temporary housing complex operated by the Salvation Army. They will be accepting donations of nutritious, nonperishable food through Jan. 2, 2013.
